### WORK HISTORY:

During my 29 year career, I have worked as a Network Technician at the Halifax Toll building location, in various groups including CRC, Broadcast Services, Atlantic Region Wireless Operations Group (MTX) and currently in the Switching OPS Wireline Group (SMC).

### COMMENTS:

I believe it is important that our local be represented at as many Unifor conventions and conferences as financially possible. These Unifor events are an opportunity to meet and discuss with other Unifor members, the common issues and battles that we all have in our different workplaces and with our employers.

It would be my privilege to represent the membership of Unifor Local 2289, as a delegate-at-large at the Unifor Atlantic Regional Council, Unifor Canadian Council and the Unifor Constitutional Convention.

In Solidarity,

Dave Gates
