COMMENTS:

Thank you for your time in reviewing my candidate profile.

It would be my honor & privilege to serve YOU as your Regional Director.

Having worked both inside the office and outside in the field, I have a solid understanding of the issues and concerns that matter to you, and I have the capability to represent accordingly.

No matter what line of business you work in - I can help you.

Being at the midpoint of my career, I've seen how things have gone on in the past, and how I believe representation for you should look for the future.

With my experience I can deliver results – support you and advocate appropriately on your behalf. We need more unity than we need division.

I believe in open and honest communication with you to help solve problems by working together. I'm a firm believer that we can do more together, than what we could ever accomplish individually.

Yours in Solidarity,
Bob George
