## MAY HEALTH AND WELLNESS INFORMATION

**Baby Be Healthy**

**Baby Be Healthy** is a program designed to support those trying or planning to conceive through to when their child is 2 years old. Participation can begin anywhere in that timeframe. The primary support will be through complimentary prenatal vitamins and pharmacist consultations.

We want to ensure that those who need it are getting free access to these vitamins and the opportunity to ask your pharmacist questions about what medications, including over the counter (OTC) medications, are safe to consume during pregnancy.

Pharmacists are very accessible health care providers and can help parents get the information they need in a concise, practical manner!

Talk to your PPN pharmacist for more information!

FROM YOUR PPN PHARMACIST

## Ask us about booking your COVID-19 vaccination.\*

Our Pharmacy teams are here to support you and the health of our community!

People who are eligible can book an appointment online. Others can register to be notified of future eligibility updates.

*Visit your provincial government website to find the most current status of the COVID-19 vaccine plan.*

\*Vaccines for children 5-11 available at your pharmacy in SK, MB, ON, NB and NS.
