Desktop Support

**COMMENTS:**

My name is Robert Bower and I am running for the position of Delegate for local 2289.

I have worked for Bell Aliant for 20 years. I currently work as an Implementation Coordinator in the Kentville office, and am unit chair for Kentville. I am the past recorder for Kentville, served on the election committee (twice) and have participated in a number of Annual Local Meetings over the past several years.

I ask for your vote because I want to be more involved in our union, to protect employee rights and to work to engage newer members in our union.
